Dear Friend of DNDA,

We invite you to be a part of our upcoming event, the **20th Annual Arts in Nature Festival: Harmony** on **Saturday and Sunday, June 29-30**. Please join us in celebrating veteran and burgeoning Seattle artists in the lush, natural setting of **Camp Long**. More than 40 local, professional artists and musicians will be part of this weekend and will welcome you and over 2,000 other attendees to be part of this creative Festival experience!

DNDA's Arts in Nature Festival offers an eclectic experience of art and performance in the woods of Seattle's only campground, Camp Long. Come explore our intimate performance stages, mixed-media art installations in 8 rustic cabins, family-friendly interactive activities, and winding hiking trails through the great outdoors! Experience local, headlining music, delicious food and a beer garden. At DNDA, we value equity, diversity, and inclusion and we work hard to bring a diversity of voices to the festival. And, as part of this landmark 20th Annual event, we are celebrating our community and bringing the festival to the public as a completely free summer event.

With your support, the Arts in Nature Festival will remain an important platform for the Seattle Arts community, helping build awareness for a diverse array of visual and performing artists. Your sponsorship will support local artists at the festival and DNDA's social justice programs and projects, including our affordable housing sites, Youngstown Cultural Arts Center, Wetland Park, and Restorative Justice programs. Looking at recent attendance, we know your event sponsorship will be appreciated by the 2,000+ attendees at this year's 20th annual Arts in Nature Festival!

Can we count you among our sponsors this year? Please see attached levels and form, and don't hesitate to get in touch to learn more.

Thank you for your support,

David Bestock
DNDA Executive Director
